

Terms and Conditions / Privacy Policy -

Hello, I am Timothy.

The purpose of this form and data collection is only for research, analysis, and improving understanding through anonymous insights. Your privacy and safety are very important to me.

Data Privacy and Protection

1. Your data will **not** be sold, shared, or accessed by anyone without your permission.
2. Any data shown in graphs, reports, or analysis will be **anonymous** and will not reveal your identity.
3. If any data is processed using AI tools, all personal identifiers such as names will be replaced with fake labels like "Student1," "StudentA," or "P1."
4. I will not create personal profiles or collect data to focus on individuals. The purpose is only general analysis, not personal tracking.
5. Your personal information will never be shared publicly or with third parties.
6. Forms may be updated occasionally, and monthly forms may be conducted for research and data analysis purposes.
7. I may contact you through WhatsApp or Gmail only regarding this project or related updates. You may stop communication at any time by informing me.
8. You may request deletion of your data at any time, and your data will be removed permanently.

Additional Safety Assurances

9. Only the minimum necessary data will be collected.
10. Sensitive information such as passwords, banking details, or private credentials will never be requested.
11. Your responses are voluntary, and you may skip any question you are uncomfortable answering.
12. Data will be stored securely and protected from unauthorized access.
13. Any published results will only contain summarized findings and never individual responses.
14. Participation in this project can be withdrawn at any time without explanation.
15. Efforts will be made to keep all collected information accurate, safe, and confidential.
16. If there are major changes to how data is collected or used, participants will be informed beforehand.
17. The collected data will only be used for educational, research, or analytical purposes.
18. Respect, consent, and participant privacy will always be prioritized throughout the project.

Thank you for your trust and participation.
